

Krunal Akbari

Bengaluru, India 560076

krunalakbari233@gmail.com | 9638059086

Professional Summary

Backend Developer skilled in designing and implementing scalable server-side applications and robust APIs. Proficient in Python, Django, Rust, and database management. Demonstrated ability in optimizing backend performance, ensuring seamless integrations, and maintaining high-quality standards for web applications. Collaborative team player with strong problem-solving capabilities.

Experience

Nalashaa Hospitality – Backend Developer

Bangalore, India

03/2024 – Current

- Developed and optimized backend architectures and RESTful APIs to support web applications.
- Managed database design and integration, ensuring data consistency and performance.
- Assisted frontend developers with seamless integration of APIs and backend functionalities.
- Conducted rigorous troubleshooting and debugging to maintain application stability.

OcenMtech – Software Developer

Surat, India

01/2022 – 06/2022

- Built and maintained robust backend systems using Django, particularly for e-commerce solutions.

- Engaged in comprehensive code reviews and optimization processes to enhance performance.
 - Implemented secure data management practices and efficient server-side logic.
-

Skills

Python, Rust, Java, C/C++, Django, PHP, Linux, Backend development, Database management, Problem solving, Full stack development

Projects

Shreeji Shop (E-Commerce) – Surat

Developed the backend infrastructure for an e-commerce platform using Django. Implemented secure, scalable databases, RESTful APIs, and integrated secure payment gateways, facilitating smooth operations and efficient business management.

Brain Tumor Detection Project

Engineered backend processes utilizing advanced Python-based machine learning algorithms. Designed and optimized data pipelines, ensuring robust and efficient processing for medical imaging and diagnostics.

Education

- **Master of Computer Application** – Pes University, Bangalore
 - **Bachelor of Computer Applications** – Dharmsinh Desai Institute of Technology, Nadiad
 - **12th** – Gujarat Secondary And Higher Secondary Education Board, Surat
 - **10th** – Gujarat Secondary And Higher Secondary Education Board, Surat
-
